Croeso, Welcome, to the M. E. Rallysport Showground Stages

This year Newtown & District Automobile Club Ltd will have the pleasure of organising the 'Showground Stages' for the third year in a row.

The rally is a 2-wheel drive single venue rally run within the grounds of the Royal Welsh Showground. The event consists of 5 stages used twice, with slight changes to the layout of each stage. Stage maps are included in your information below; a current entry list can also be viewed below.

Once again, the event showcases a class for Cross Cars, a single seated tubular framed car. These will run at the front of the field on each stage but will only complete each stage once, whereas the Rally Cars will complete each stage twice. A service break will be held after each loop of two, so make sure to you have a look around the service area and chat to the crews.

We have included a planned itinerary of the day to give you an estimated time of the start of each stage, enabling you to grab a bite to eat or hot drink between stages.

Whilst we welcome you to spectate at the event, we ask that you only spectate in the specified Spectator Areas shown on the enclosed map or directed by an Official or Marshal. We also ask that you arrive in plenty of time (30 mins) before the first car is due into stage. This is to ensure the safety of everyone involved in the event. There will be a Safety Convoy, which will include the Motorsport UK Steward, viewing each stage prior to the start of competition. If you are asked to move by any of the Safety Cars, please do so. Please don't be that person that delays or risks cancelling the stage.

Our thanks must go to our title sponsor M.E. Rallysport for their continued support of the event, along with the Royal Welsh Agricultural Society for the use of the Royal Welsh Showground, and all the stage sponsors.

A final thank you must go to the all the volunteers, club members and marshals that help put on the event and ensure the day runs smoothly, along with looking after everyone's safety. Without these people events would not run.

Wishing you a safe and enjoyable day of rallying.

Wayne Jones

Clerk of the Course

**MATT
EDWARDS**
MERALLY.CO.UK

Hello and welcome to the 2026 M.E.Rallysport Showground Stages.

As a Competitor, Marshall, Spectator or any other capacity, I'd like to thank you for supporting the event and thus the grass roots level of motorsport in this country!

Thank you to Newtown and District Motor Club for the opportunity to continue as main sponsor for this exciting little event that really serves to kick off the rallying calendar in Wales with a warm and friendly atmosphere; but don't be fooled, the competition is fast paced and fierce!

As a spectator you will see a wide range of 2wd vehicles today, but most of them will be built and maintained by the crew themselves and their friends and family which is the best way to get involved for yourself if you aren't already. No doubt any crew in the service area would be happy to explain more, or indeed find me close to the entrance to enquire about Tuition, Rally Car Hire, or On-Event Support.

I hope you enjoy your day with us and make the most of the fantastic viewing available here at 'Builth', but please listen to the Marshalls and keep yourself and others safe and allow the event to run smoothly.

Matt Edwards
M.E.Rallysport

#FastMadeEasy

NOTICE TO SPECTATORS

Following The Scottish Motorsport Event Safety Review (MESR) Motorsport UK has required the provisions relating to SPECTATOR & MEDIA SAFETY to be re-examined and PROHIBITED AREAS very carefully planned.

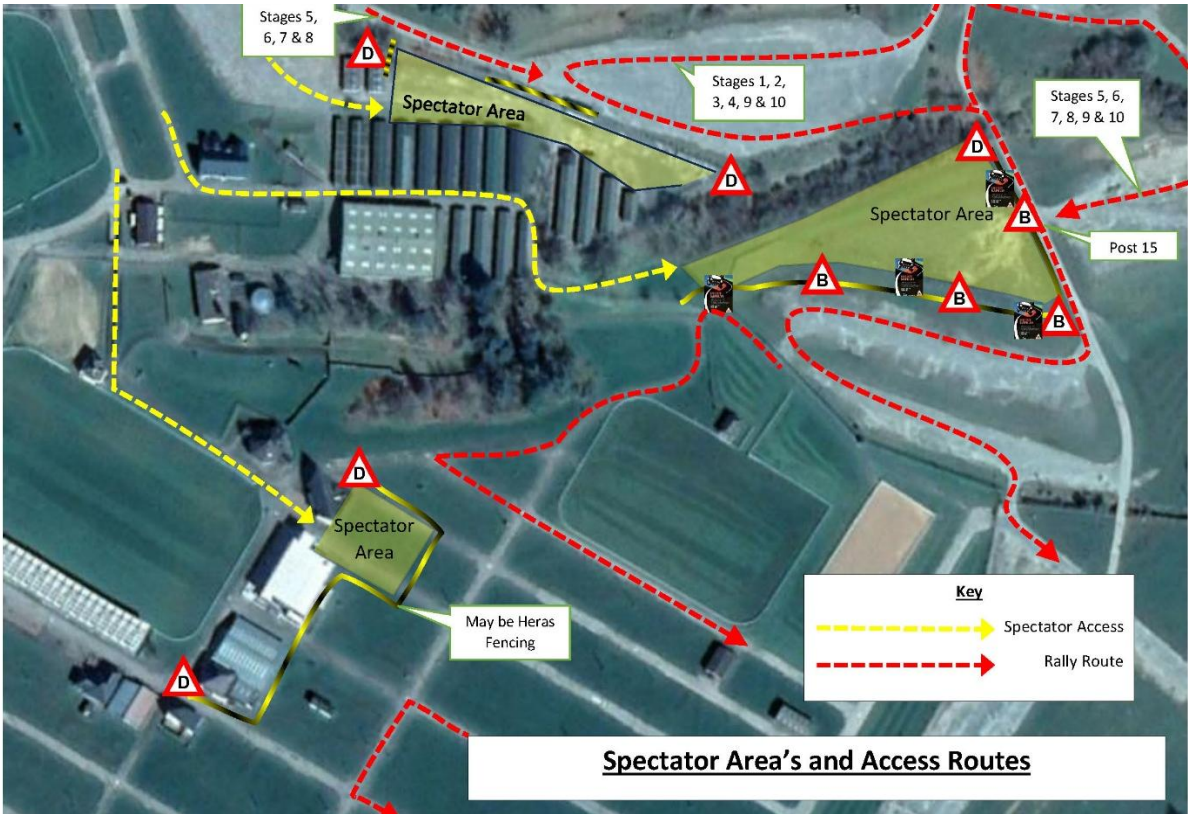

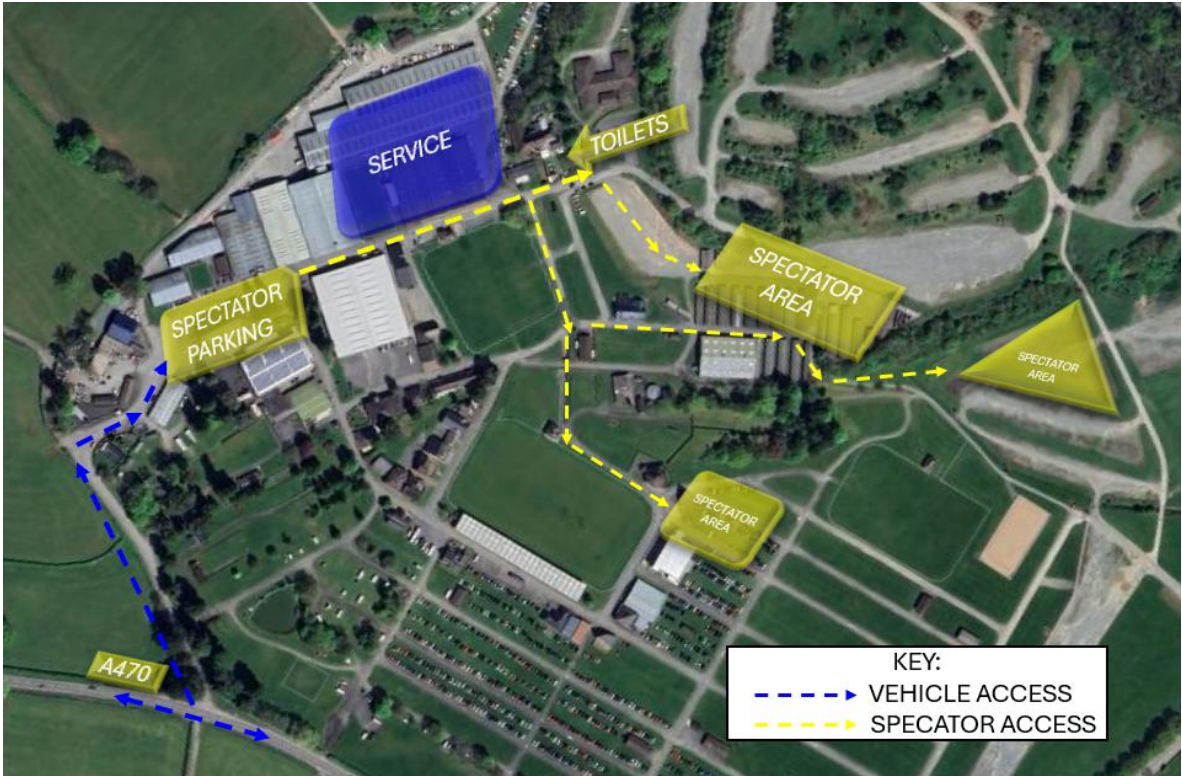

With this in mind, all Spectator Areas have been marked out in line with the current Safety Requirements.

Please, therefore, help us to run a safe rally and stand in those safe locations.

We have two Spectator Safety and Control cars who will STOP the event if spectators are not in safe locations. The Motorsport UK Safety Delegate will be in the second and he has the power to postpone, abandon or stop an event if he considers spectators to be in an unsafe location.

PLEASE ENSURE YOU ARE NOT THE CAUSE!

It is a condition of your presence that you obey the instructions of Marshals in relation to the Safety of yourself and others.
